## Directions for Commercial Use:

Iron Dextro-Lac 5.5% is intended for foliar use. Apply 2.5 to 10 litres per hectare (1 to 4 litres per acre) with sufficient water for thorough coverage. For best results, spray in early morning or late afternoon. Do not apply during the “sunlight” hours when air temperature is above 30°C. Foliar fertilization is intended to supplement standard ground fertility programs and will not, by itself, provide all nutrients normally required by agricultural crops. This product should be used on the basis of a soil and/or tissue analysis. This product must only be used for corrections of deficiencies as determined by foliar and soil testing. This product should be applied based on the advice of a government agricultural representative or a professional agricultural consultant.

## First Aid:

**IF IN EYES:** Flush with plenty of water and get medical attention or contact poison control centre.

**IF ON SKIN:** Wash with soap and water.

**IF INGESTED:** Get medical attention or contact poison control centre.

Net Contents 10L

**Guaranteed Minimum Analysis:**  
**Iron (Fe) (actual) 5.5%**

## Warranty

1.-The manufacturer guarantees and warrants that the content and the total net weight are as stated within lawful limits.

2.-Liability of Agro-K Corporation under this warranty or otherwise shall be limited to refund of the purchase price and such refund is expressly agreed by the buyer to be the exclusive remedy.

**Agro-K Corporation makes no other expressed or implied guarantee, warranty or representation, including warranties of merchantability and fitness for a purpose. Agro-K Corporation shall not be liable for direct consequential or incidental damages.** No modifications of this warranty and the disclaimers herein are authorized or valid unless expressed in writing and signed by Agro-K Corporation.

## Precautions:

**KEEP OUT OF REACH OF CHILDREN.** Warning! Harmful if swallowed. Causes irritation to eyes, skin and respiratory tract. Avoid contact with eyes, skin and clothing. Keep in tightly sealed closed container. Wash thoroughly after handling. Avoid contamination of domestic or irrigation water supplies, lakes, streams and ponds. **CAUTION:** This fertilizer contains iron and should be used only as recommended. It may prove harmful if misused.

**SHAKE WELL BEFORE USE**
