## Guaranteed Minimum Analysis:

**Calcium (Ca) 7.0%**  
**Magnesium (Mg) 0.20%**

Active ingredients derived from registered and exempt materials.

## Directions for Commercial Use:

Calcium Dextro-Lac is a liquid fertilizer intended for foliar use. It should be used as part of a complete fertilizer program. Plants will require additional sources of major and possibly secondary and minor nutrients. A leaf tissue or soil test should be taken before use. The rate of application depends on soil type and intended crop. Typical rates are 2 to 8 litres/acre with sufficient water for thorough coverage. For best results, spray in the early morning or late afternoon. Do not apply during the "sunlight" hours when air temperature is above 30°C. For commercial use only. Seek the advice of an agronomist prior to use.

## Mixing Instructions:

Shake well prior to use. Fill application tank half full of water and slowly add product while agitating and continue filling tank. Apply product immediately following mixing and agitate while applying product. Jar test before mixing with other products.

## First Aid:

**IF IN EYES:** flush eyes with plenty of water for at least 15 minutes, lifting the upper and lower eyelids occasionally. If irritation develops or persists, seek medical advice for treatment.

**IF ON SKIN:** in case of irritation, remove clothing. Wipe excess from skin and wash with warm, soapy water for at least 5 minutes. If irritation develops or persists, seek medical advice for treatment.

**IF INGESTED:** induce vomiting. Never give anything by mouth (oral) to an unconscious person. If irritation develops or persists, seek medical attention immediately

**IF INHALED:** remove person to fresh air. Get medical attention for any breathing difficulty.

## Warranty

1.-The manufacturer guarantees and warrants that the content and the total net weight are as stated within lawful limits.

2.-Liability of Agro-K Corporation under this warranty or otherwise shall be limited to refund of the purchase price and such refund is expressly agreed by the buyer to be the exclusive remedy.

**Agro-K Corporation makes no other expressed or implied guarantee, warranty or representation, including warranties of merchantability and fitness for a purpose. Agro-K Corporation shall not be liable for direct consequential or incidental damages.** No modifications of this warranty and the disclaimers herein are authorized or valid unless expressed in writing and signed by Agro-K Corporation.

## Precautions:

**KEEP OUT OF REACH OF CHILDREN. CAUTION:** May cause skin, eye or respiratory system irritation. Avoid prolonged or repeated skin contact. Do not get in eyes, on skin or on clothing. Keep in tightly sealed closed container. Wash thoroughly after handling. **CAUTION:** This fertilizer contains Zinc and Manganese and should be used only as recommended. It may prove harmful if misused.

Item# 5120-CAN

Net Wgt. 12.27kg / 10L

Lot # \_\_\_\_\_

## Warning

**May cause eye irritation, may be harmful if swallowed.**  
Avoid breathing mist. Wash thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear protective gloves/clothing/eye wear/face. If on skin: Wash with plenty of soap and water. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do, continue rinsing. Call a poison center/doctor if you feel unwell. If skin or eye irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. Dispose of contents/container in accordance with local/regional/national regulations.

## Mises en garde.

**Peut provoquer une irritation oculaire. Peut être nocif en cas d'ingestion.** Eviter de respirer les gouttelettes. Bien se laver après avoir manipulé le produit. Utiliser uniquement à l'extérieur ou dans un endroit bien ventilé. Porter des gants et des vêtements de protection ainsi qu'une protection oculaire et faciale. En cas de contact avec la peau : laver abondamment avec du savon et de l'eau. En cas d'inhalation : la personne doit être transportée dans un endroit à l'air frais et maintenue dans une position où elle pourra respirer confortablement. En cas de contact avec les yeux : rincer délicatement avec de l'eau pendant plusieurs minutes. Le cas échéant, retirer les lentilles de contact, si possible, et continuer à rincer. Contacter un centre antipoison ou un médecin en cas de malaise. En cas d'irritation cutanée ou oculaire : consulter un médecin. Retirer les vêtements contaminés et les laver avant de les réutiliser. Éliminer le contenu et les récipients conformément aux réglementations locales, régionales et nationales.
